

European Fencing Confederation Confédération Européenne d'Esime

June 20, 2018

Information Letter no. 17-2018

Dear Member Federations,

I am pleased to inform you that during the EFC Ordinary Congress delegates appointed cities where the European Championships will be organized in the next two years:

In 2019:

- Junior and Cadet European Championship, **Foggia** (ITA),
from 1st to 10th of March, 2019;
- European Championship U23, **Plovdiv** (BUL),
from 29th of May to 2nd of June, 2019;
- Senior European Championship, **Düsseldorf** (GER).

In 2020:

- Junior and Cadet European Championship, **Poreč** (CRO);
- European Championship U23, **Liberec** (CZE);
- Senior European Championship, **Minsk** (BLR).

I would like also to refer to the issue of organization the Senior European Championship in 2019. Two days before the EFC Congress I have received an information from Luxembourg that because of the absence of financial guarantee from the government they had been forced to resign to organize the European Senior Championship.

As a result, on the 15th of June the EFC Congress decided that the European Senior Championship will take place in Düsseldorf and the precise date will be appointed soon. I will inform about this in separated letter.

Best regards,

.....
